

Dear History Majors:

The following are candidates for our position in East Asian history. Please attend these lectures if at all possible. Since the student body has a voice in which candidate the department hires, it is important to attend these forums and provide feedback on the questionnaires. Your input is needed and will be considered, and evaluation forms will be available. If you can come to two or even three of the presentations, your evaluations will be that much more useful.

Ms. Laura Nenzi

Friday, January 23

2:30-3:30

Teaching Presentation followed by Q&A (Levan 308)

Dr. Lori Watt

Tuesday, January 27

3:30-4:45
